About Your Policy

Understanding and using your policy

This section 'About your policy' does not form part of the legal contract between you and us. It includes information which will help you to understand and use your policy.

Insurance policies can be difficult to understand so we have tried to make this policy easy to read. Some words have a special meaning in your policy and these are listed and explained on pages 9 to 11 'Words with special meanings'. The special meanings apply wherever we use those words in this document.

Your policy is in two parts – the policy booklet and the Policy Schedule.

The policy booklet explains what is and what is not covered, how we settle claims and other important information.

The Policy Schedule shows which sections of the policy booklet apply, the limits to the cover and the premium. Please keep your Policy Schedule with the policy booklet.

We will send you a new Policy Schedule whenever you or we make a change to the insurance and each year before renewal so you can check that the cover still meets your needs.

Once you have received your policy you will have 14 days to make sure the cover is exactly what you need. If it isn't, you can ask us to make any necessary changes. Alternatively, you can request cancellation of the policy and you will receive a full refund of premium, as long as no claim has been made.

Remember to keep your sums insured (which are shown on your Policy Schedule) up to date.

If you have selected buildings insurance, you should review your sum insured if you extend or make improvements to your home, such as installing double glazing, adding a fitted kitchen or conservatory.

If you have selected contents and personal belongings insurance, your cover is for replacement as new. Remember to keep your sums insured up to date when you buy new items. Items such as jewellery, articles of precious metal, clocks, watches, paintings, works of art, antiques and stamp, medal and coin collections often change in value.

If you have any questions please contact us. The telephone numbers are shown on your Policy Schedule.

How to make a complaint

We're sorry if things don't go as you expect. By letting us know, we can work with you to understand what's happened and put it right.

We promise to:

- acknowledge your complaint promptly
- investigate your complaint quickly and thoroughly
- keep you informed of progress
- do everything we can to resolve your complaint fairly
- ensure you're clear on how to escalate your complaint, if necessary
- provide you with details of the Financial Ombudsman Service.

Step 1

If your complaint relates to the sale of your policy then please contact the person who arranged the policy for you.

Step 2

If, after making a complaint to us, we have either:

- not provided you with a formal and final decision within 40 working days, or
- you are unhappy with our final decision and feel the matter has not been resolved to your satisfaction

you may be able to take your complaint to the Financial Ombudsman Service. A complaint referred to the ombudsman must normally be made within six months of receipt of a final written response.

The Financial Ombudsman Service

The Financial Ombudsman Service is an independent body which arbitrates on complaints. You can also refer your complaint to them first without giving us the opportunity to resolve it, but if you do this, they'll only consider your complaint with our consent. The Financial Ombudsman Service provides a free, independent, complaint resolution service. Details about their service and how to refer a complaint to them can be found on their website at www.financial-ombudsman.org.uk.

They can be contacted at:

Email: complaint.info@financial-ombudsman.org.uk

Website: www.financial-ombudsman.org.uk

You've got six months from the date of our final response to refer your complaint to the Financial Ombudsman Service. This doesn't affect your right to take legal action, but the Financial Ombudsman Service won't adjudicate on any case where litigation has started.

Guidance when making a claim

Claim Notification

Conditions that apply to the policy and in the event of a claim are set out in your policy booklet. It is important that you and your family comply with all policy conditions and you should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required. Further guidance is contained in the policy booklet.

Claims conditions require you to provide us with any reasonable assistance and evidence that we require concerning the cause and value of any claim. Ideally, as part of the initial notification, you will provide:

- Your name, address, and your home and mobile telephone numbers
- Personal details necessary to confirm your identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses

This information will enable us to make an initial evaluation on policy liability and claim value. We may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements, utility bills, pre-purchase surveys, or plans or deeds of your property
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item you are claiming for is beyond repair

Where we have asked you for specific information relevant to your claim we will pay for any reasonable expenses you incur in providing us with the above information. Sometimes we, or someone acting on our behalf, may wish to meet with you to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

Preferred Suppliers

We take pride in the claims service we offer to our customers. Our philosophy is to repair or replace lost or damaged property, where we consider it appropriate, and we have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where we can offer repair or replacement through a preferred supplier but we agree to pay our customer a cash settlement, then payment will normally not exceed the amount we would have paid our preferred supplier.

Your Contract with us

This policy booklet is part of the legal contract between you and us. The contract is based on the information that you gave us when you applied for your insurance. Together, the policy wording, Statement of Insurance and your Policy Schedule form that contract, so it's best to keep them together.

It's important to read the Changes in your circumstances policy condition on page 12. This explains the circumstances when you need to tell us about changes after your policy's been issued.

Our part of the contract is that we'll provide the cover set out in this policy booklet for:

- the type or types of cover included on your Policy Schedule
- the insurance period shown on your Policy Schedule.

Your part of the contract is that you must:

- pay the premium shown on your Policy Schedule
- comply with all the policy conditions explained in this policy booklet.

If you don't meet these conditions, we may reject or reduce a claim payment or increase your premium. In some cases your cover may no longer be valid.

From time to time for commercial reasons the administrator may decide to change its chosen insurers. Any such change may take place at any time by the administrator cancelling the policy and transferring the insurance cover to a new insurer. The administrator will contact you not less than 21 days before your current insurance expires with details of the new proposed insurers and terms on which cover may be provided by the new insurer.

Accordingly, in order to ensure continuity of your insurance you authorise the administrator to cancel your existing insurance and transfer your data to any new proposed insurer to provide you with the replacement cover. When contacting you with details of the new insurer and its offer of insurance for your consideration the administrator will explain how you may revoke this authority and provide details of how you may cancel this policy, if you do not wish to continue your policy with the new insurer.

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland), both you and we may choose the law which applies to this contract (to the extent permitted by those laws). Unless you and we agree otherwise, the law which applies to this contract is the law which applies to the part of the United Kingdom in which you live.

We and you have agreed that any legal proceedings between you and us in connection with this contract will only take place in the courts of the part of the United Kingdom in which you live. The language used in this policy and any communications relating to it will be English.

Conditions and Exclusions

Policy Conditions

As part of your contract with us, you and your family must meet the policy conditions. We explain these here. If you don't meet these conditions, we may reject a claim or reduce a claim payment. In some circumstances your policy may not be valid.

Taking care

Your family must take all reasonable steps to avoid incurring liability and prevent loss or damage to everything which is covered by this insurance and to keep all the property insured in good condition and in good repair.

Changes in your circumstances

So that we can ensure we've got you fully covered you'll need to let us know if during the year your circumstances change or you need to change any of the information you've provided to us. You can do this by contacting the administrator, Cavere Limited on 01904 476096 or emailing policies@cavere.co.uk.

You must tell us immediately if there are any changes to your circumstances which could affect your cover.

Examples of changes you must tell us about include:

- you are going to move home permanently;
- someone other than your family is going to live in your home;
- your home is going to be unoccupied for more than 60 days in a row;
- your home is going to be used for short periods each week or as a holiday home.
- work is to be done on your home which is not routine repair, maintenance or decoration for example, any structural alteration or extension to your home;
- the number of bedrooms in your home has changed;
- you or any member of your family has received a conviction for any offence except for driving;
- any increase in the value of your contents or the rebuilding cost of your buildings.
- any part of your home is going to be used for any trade, professional or business purposes;

There is no need to tell us about trade, professional or business use if:

- the trade, professional or business use is only clerical; and
- you do not have staff employed to work from your home; and
- you do not have any visitors to your home in connection with your trade, profession or business; and
- you do not keep any business money or stock in your home.

We may reassess your cover, terms and premiums when we are told about changes in your circumstances. If you do not tell us about changes or give us incorrect information, the wrong terms may be quoted, a claim might be rejected or a payment could be reduced. In certain circumstances your policy might be invalid, and you may not be entitled to a refund of premium.

Fraud

If your family, or anyone acting on behalf of you or your family, uses dishonesty, exaggeration or false documentation to obtain or support:

- a claims payment under your policy; or
- cover for which you do not qualify, or
- cover at a reduced premium

all benefits under this policy will be lost, the policy may be invalid, you may not be entitled to have your premium refunded, and legal action may be taken against you.

Transferring your interest in the policy

You can't transfer your interest in this policy to anyone else without our written permission.

Cancelling the policy

If you wish to cancel your policy please write to the administrator at the address or call the number shown on your Policy Schedule. If you cancel the policy you may be entitled to a refund of premium provided that no claim has been made during the current insurance period. Any refund will be calculated in whole calendar months remaining at the time of cancellation, part months cover will not attract a refund.

Cancellation by you within the first 14 days

If you cancel the policy within 14 days of the cover start date, or within 14 days of getting your policy documents (whichever is later), the administrator will refund the premium as long as you haven't made a claim during the current insurance period. If any claim has been made during the period of cover provided, you must pay the full annual premium and you will not be entitled to any refund. The administrator reserves the right to charge an administration fee for cancellation of this policy.

Cancellation by you after the first 14 days

If you cancel the policy more than 14 days after the cover start date, or more than 14 days after getting your policy documents (whichever is later), the administrator will refund premiums you've already paid for the remainder of the current insurance period, as long as you haven't made a claim during this period. If any claim has been made during the period of cover provided, you must pay the full annual premium and you will not be entitled to any refund. The administrator reserves the right to charge an administration fee for cancellation of this policy.

Where we cancel your policy

We or the administrator may cancel your policy for the reasons explained in the Changes in your circumstances condition on page 12 and the Fraud condition on page 13. We or the administrator may also cancel your policy if we identify serious grounds for doing so, including but not limited to:

- failure to provide us with information we've requested that's directly relevant to your cover or any claim;
- the use or threat of violence or aggressive behaviour against our staff, contractors or property;
- the use of foul or abusive language; or
- nuisance or disruptive behaviour.

In these circumstances we'd contact you at your last known address and seek to resolve the matter with you. If a solution can't be agreed, we may cancel your policy by giving you 14 days notice.

This will not affect your right to make a claim for any event that happened before the cancellation date. If we cancel the policy we will refund premiums already paid for the remainder of the current insurance period, provided no claim has been made during the current insurance period.

Where we have agreed to you paying your premium by monthly instalments, then in the event that there is a default in the instalments due under the payment schedule, we and the administrator reserve the right to cancel your policy by giving you 14 days notice at your last known address and you will no longer be insured by us.

If your monthly premium payment has a Fixed Sum Loan Agreement regulated by The Consumer Credit Act 1974, then this shall be deemed to be a linked loan agreement. In the event that there is a default in the instalments due under the payment schedule, we and the administrator reserve the right to also terminate that linked loan agreement.

Cancelling the monthly premium instalment agreement

Your policy has a normal insurance period of 12 months and your legal contract with us is for this period, but you may be paying your annual premium in monthly instalments. If you want to stop paying monthly, but continue with your policy, you'll need to contact the administrator using the details on your Policy Schedule. We can then tell you what you'll have to pay for the rest of the insurance period and by when. If this amount isn't paid by that date, all cover under your policy will be cancelled from that date. If you've made a claim, or one has been made against you, before that date and during the current insurance period, you would need to pay the balance of the full annual premium. We and the administrator reserve the right to cancel the policy if there's a default in the instalment payments due.

Financial sanctions

We won't provide any cover or be liable to provide any indemnity, payment or other benefit under this policy to the extent that the provision of such cover, indemnity, payment or other benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States or other country of policy issue. If any such resolution, sanction, law or regulation takes effect during the insurance period, we may cancel this policy immediately by giving you written notice at your last known address.

Claims conditions

These are the claims conditions that you and your family will need to keep to as your part of this contract. If you don't meet them, we may reduce the payment or not pay the claim. We explain the conditions in this section.

If anything happens which might lead to a claim, you should take any immediate action you think is necessary to protect your property and belongings from further damage. It's best to then tell us about a claim as soon as you can, but in some cases there are other people you must contact first.

You can see details of how to make a claim on page 6. You should also check the information about how we settle claims on pages 18, 25, 34 and 38. And if you've selected Legal Expenses Cover or Home Emergency Cover, there are details of further conditions on pages 50 to 51 and 64 to 65.

What you need to do

If you or your family are the victim of theft, riot, a malicious act or vandalism, or lose something away from your home, tell the police as soon as you realise. Ask them for a crime reference number or loss report number then tell us as soon as you can. In case of riot, tell us immediately.

If you are making a Home Emergency Cover claim, you must report any situation to us as soon as you discover it as there is no cover for claims not reported within 12 hours of discovery. For all other claims, tell us as soon as you can.

If someone is holding any of your family responsible for an injury or any damage, no one in your family must admit responsibility. Give us full details in writing as soon as you can. If you or your family receive a claim form, application notice, legal document or other correspondence from another party about an injury or any damage covered by your policy, send it to us straightaway without answering it.

How you can help us to settle the claim quickly

You should do everything we reasonably ask of you to get back any lost or stolen property. Also, don't throw away any damaged items before we've had a chance to see them. And don't carry out any non-emergency repairs before we've had the opportunity to inspect the damage.

To help us deal with your claim quickly, we may need more information. This could include:

- original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements, utility bills, pre-purchase surveys, or plans or deeds of your property;
- purchase dates and location of lost or damaged property;
- for damaged property, a written estimate for repair or confirmation from a suitably qualified expert that the item you're claiming for is beyond repair.

After you contact us

When you contact us, we'll tell you the next step, which will be one of the following:

- We'll ask you to get estimates for building repairs or replacement items
- We'll arrange for the damage to be inspected by one of our representatives or an independent loss adjuster or other expert whose aim is to help us agree a fair settlement with you, or
- We'll arrange the repair or replacement as quickly as possible.

If we ask you for specific information or documentation relevant to your claim we'll pay any reasonable expenses you incur in providing us with that information.

Rights and responsibilities

We may need to get into a damaged building to salvage anything we can and to make sure no more damage occurs. You must give us, or our appointed representative, access to the property or allow it to be inspected. But you mustn't abandon your property to us.

You mustn't settle, reject, negotiate or offer to pay any claim that you've made or intend to make under this policy without our written permission. If we choose, we have the right (in your name but at our expense) to:

- take over the defence or settlement of any claim;
- start legal action to get compensation from anyone else;
- start legal action to get back any payments already made to anyone else.

You must give us any information and assistance we require. And if we ask you to, you must help us to take legal action against anyone or help us defend any legal action.

Other insurance

If you claim under this policy for something which is also covered by another insurance policy, you must provide us with full details of the other insurance policy. We will only pay our share of any claim.

Policy exclusions

Your policy doesn't cover everything. For example, normal use or ageing, maintenance of your home and routine decoration aren't included. Here are some other examples:

Under Contents Cover you're not covered for:

- your curtains fading in sunlight
- breakdown of appliances such as a television, your washing machine not working properly or an item reaching the end of its serviceable life
- your carpet wearing out and becoming threadbare.

And Buildings Cover doesn't include:

- rusted gutters, slipped or loose tiles, slates or rendering or decayed or rotten window frames – unless they're damaged by an event covered under your policy.

If you don't keep your home and belongings in good condition, you may find that damage has been caused by normal use or ageing, lack of maintenance, or that loss or damage has happened gradually over time. These aren't things your insurance covers.

The following exclusions apply to all the types of cover available with your policy.

Structural Alterations and Building Work

Loss, damage or liability caused by or arising from:

- your home undergoing any structural alteration or repair;
- your home undergoing demolition;
- your home having an extension added to its existing structures;
- a new structure or building being constructed within the boundaries of the risk address.

Loss or damage to the structure or building:

- undergoing the structural alteration or repair;
- undergoing the demolition;
- being extended;
- being constructed or erected;
- if a building regulations completion certificate has not been obtained (if required).

Cyber attack

Any loss, damage, liability, claim, demand, cost (including legal costs) or expense of any kind directly or indirectly caused by, resulting from or in connection with a cyber-attack which is targeted or brought against a public or private utility company or network operator of any kind (including without limitation gas, electricity, water and sewerage), or local, national or multinational governmental authority, agency or other public body. How we settle claims for Buildings Cover

If you wish to claim under this section of your policy please follow the steps detailed in the 'How to make a claim' section (page 7). You should also read the Claims conditions and Policy exclusions on pages 14 to 17

We'll pay the cost of the work carried out to repair or replace the damaged parts of your buildings.

We'll also pay fees and related costs that we agree to, as long as the damage is covered under your policy.

By this we mean:

- architects', engineers', surveyors' and legal fees necessarily incurred in repairing or replacing your buildings - but not fees incurred in preparing any claim under the policy
- the cost incurred for removing debris, demolition, shoring up or propping up and taking away where this is necessary to repair or replace your buildings
- the cost of meeting current building regulations or local authority or other statutory requirements or conditions following the repair or replacement of the damaged parts of your buildings. That's unless you were aware of the need to meet the regulations, requirements or conditions before the damage happened.

If an excess applies

We'll take this off the amount of your claim. We'll only deduct one excess for each incident you claim for. If more than one excess applies to your claim, we'll deduct the highest value one.

How much we pay if you go ahead with repairs, and if you don't

Where repairs are carried out, the amount we'll pay will be either:

- the cost of the work if it was carried out by our nominated contractor, or
- the cost of the work based on the most competitive estimate or tender you got from your nominated contractors.

We'll pay whichever's the lower amount. If the repair or replacement isn't carried out, the amount we'll pay will be:

- the decrease in market value of your buildings due to the damage, or
- what the work would've cost if it'd been carried out by our nominated contractor without delay, or
- what the work would've cost based on the most competitive estimate or tender you got from your nominated contractors if the work had been carried out without delay.

We'll pay whichever's the lowest amount.

If we offer you a cash settlement, it won't make any allowance for VAT.

Guaranteed workmanship

Repairs carried out by our nominated contractors and insured under your Buildings Cover or Buildings Accidental Damage Cover are guaranteed for 12 months for their quality of workmanship.

Normal use or ageing

We may take off an amount for normal use or ageing before paying the cost of repairing and replacing the damaged parts of your buildings if they haven't been kept in a good state of repair.

We will not pay for:

- Loss of value resulting from repairs to or replacement of damage to your buildings;
- Replacing or changing undamaged parts of your buildings which belong to a set or suite or which have a common design or use, such as a bathroom suite or fitted kitchen units, when the damage is restricted to a specific part or clearly defined area.

What's the most we'll pay for any one claim?

The most we'll pay for any one claim, including fees and related costs, is:

- the amount it'll cost us to repair the damage to your buildings in the same way, size, style and appearance as when they were new, or
- the maximum cover limits shown on your Policy Schedule, or
- the full rebuilding cost of your buildings.

We'll pay whichever's the lowest amount.

Legal Liability

As well as insuring your buildings, we also provide the following cover.

What's covered	What's not covered

If you wish to claim under this section of your policy please follow the steps detailed in the 'How to make a claim' section (page 7). You should also read the Claims conditions and Policy exclusions on pages 14 to 17.

We always aim to repair or replace lost or damaged property. If the damage can be economically repaired, we'll pay the cost of repair.

If the damage can't be economically repaired and the damaged or lost item can be replaced, we'll replace it. And if a replacement isn't available, we'll replace it with an item of similar quality.

If we can't either economically repair an item or replace it with an item of similar quality, we'll agree a cash payment with you based on the item's replacement value.

You can request a cash settlement where we're able to offer repair or replacement. If we agree to this, the amount we'll pay won't normally be more than what we would've paid our nominated repairers or product suppliers.

Normal use or ageing

If the sum insured on your Policy Schedule is less than the cost of replacing your items as new, we may take off an amount for normal use or ageing from the cost of the new item. That's unless the item can be economically repaired, in which case we'll pay only the repair cost.

If an excess applies

We'll take this off the amount of your claim. We'll only deduct one excess for each incident you claim for. If more than one excess applies to your claim, we'll deduct the highest value one.

What we won't pay for

- We won't pay for:
- loss of value to any item we've repaired or replaced
 - replacing or changing undamaged parts of your contents which belong to a set, pair or suite, such as matching carpets or a suite of furniture, when the loss or damage is restricted to a specific part or clearly defined area.

What's the most we'll pay for any one claim?

The most we'll pay for any one claim is the amount it'll cost us to replace your insured items as new - but this can't exceed the sum insured or any limits shown on your Policy Schedule, whichever is lower.

Legal Liability

As well as insuring your contents, we also provide the following cover.

How we settle claims for Personal Belongings

If you wish to claim under this section of your policy please follow the steps detailed in the 'How to make a claim' section (page 7). You should also read the Claims conditions and Policy exclusions on pages 14 to 17.

We always aim to repair or replace lost or damaged property. If the damage can be economically repaired, we'll pay the cost of repair. If the damage can't be economically repaired and the damaged or lost item can be replaced, we'll replace it. And if a replacement isn't available, we'll replace it with an item of similar quality.

If we can't either economically repair an item or replace it with an item of similar quality, we'll agree a cash payment with you based on the item's replacement value.

You can request a cash settlement where we're able to offer repair or replacement. If we agree to this, the amount we'll pay won't normally be more than what we would've paid our nominated repairers or product suppliers.

Normal use or ageing

If the sum insured on your Policy schedule is less than the cost of replacing your items as new, we may take off an amount for normal use or ageing from the cost of the new item. That's unless the item can be economically repaired, in which case we'll pay only the repair cost.

If an excess applies

We'll take this off the amount of your claim. We'll only deduct one excess for each incident you claim for. If more than one excess applies to your claim, we'll deduct the highest value one.

What we won't pay for

We won't pay for:

- loss of value to any item we've repaired or replaced.

What's the most we'll pay for any one claim?

The most we'll pay for any one claim is the amount it'll cost us to replace your insured items as new - but this can't exceed the sum insured or any limits shown on your Policy Schedule, whichever is lower.

How we settle claims for money and credit cards

- Where an excess applies, this will be taken off the amount of your claim.
- The most we will pay for any one claim for money and/or credit cards is the sum insured shown on your Policy Schedule.

No claim discount

This part of the policy explains how No claim discount works.

If no incident occurs during the insurance period which results in a claim under the Buildings, Contents or Personal belongings, Money and Credit Cards sections, your No claim discount will increase in line with our scale at the renewal of the policy.

For each incident that occurs during the insurance period which results in a claim under the Buildings, Contents or Personal belongings, Money and Credit Cards sections, your No claim discount may reduce in line with our scale at the renewal of the policy.

If an incident occurs which results in a claim just before your policy renewal, the claim may not be taken into account at this renewal.

You cannot transfer your No claim discount to anyone else.

Optional Legal Expenses cover

You're only covered under this Section of the policy if it says so on your 'policy schedule', which was sent to you when you bought this insurance.

Our legal expenses cover is provided by Financial & Legal Insurance Company Limited so when we use the words 'we', 'us' or 'our' in this section, we're talking about Financial & Legal Insurance Company Limited and not Integra Insurance Solutions or Accredited Insurance (Europe) Limited - UK Branch

The policy covers you as well as any member of your family permanently living with you, provided that they have your permission to claim under this section of your policy.

This section of the policy is designed to cover your costs and expenses if an organisation or person takes legal action against you, or if you need to take legal action against an organisation or person.

It is also designed to pay the actual loss of salary or wages for the time off work if you are required to attend jury service in the United Kingdom.

Like all insurance policies, there are limitations to this cover, which we've laid out in detail over the next few pages.

The main reason that we won't pay a claim is that we don't think there's a reasonable prospect of winning your case. This means that in respect of each claim there always needs to be more than a 50% chance of the Insured Person recovering damages, defending a claim or prosecution or obtaining a legal remedy.

We won't pay any more than £50,000 worth of costs for any one claim and in total in any one period of insurance.

How to arrange emergency assistance

1. Major emergencies which could result in serious injury to the public or damage to property should be immediately advised to the supply company and/or the public emergency services. The policy does not provide cover for any repairs, damage or other loss resulting from gas leaks.
2. Before requesting emergency assistance, check that the circumstances are covered by your policy. Remember this is not a maintenance policy and does not cover routine maintenance in your home.
3. If your emergency is boiler related you should have your boiler make and model and service details ready when you contact the helpline. Remember you must produce evidence to our approved engineer that the boiler has been serviced to the manufacturers specifications within the last 12 months for primary heating system cover to apply. Primary heating system cover must also be shown as included on your policy schedule.
4. Telephone the helpline within 12 hours of the emergency occurring and provide details of the assistance required. All requests for emergency assistance must be made through the helpline. Do not make any arrangements yourself without prior authorisation from the helpline, if you do we will not reimburse any costs you may incur. All calls are recorded.
5. The helpline will appoint an approved engineer to attend your home, provided that this is not precluded by adverse weather conditions, industrial disputes (official or otherwise), failure of the public transport system, including the road and railway networks and repairs thereto and any other circumstances preventing access to the home or otherwise making the provision of emergency assistance impossible. The helpline and the approved engineer will have reasonable discretion as to when and how work is undertaken and this will be based on the details provided by you.
6. The approved engineer will charge all costs covered by the insurance directly to us. You will be asked to pay the cost of:
 - Call-out charges if there is no-one at home when the engineer arrives
 - Work in excess of the claim limit
 - Fitting replacement parts or components of a superior specification than the original at your request.

Pay on use

Should an emergency arise that is not included under this Home Emergency cover, where possible, we can arrange for an approved engineer to attend your home but you will be responsible for all costs involved. The use of this service does not constitute a claim under your policy.

Replacement of parts or components

We reserve the right to use non genuine replacement parts supplied from third parties in addition to those parts that may be sourced from the manufacturer or their approved suppliers. We are not responsible for any loss, damage or inconvenience resulting from a delay in obtaining or receiving delivery from the relevant supplier of any spares. When replacement parts are received, we will contact you to arrange a suitable time slot for the engineer to attend. You should make sure that the engineer can get reasonable access to carry out the repair. If we cannot get a replacement part needed to carry out a repair our liability will be limited to a temporary repair to make the emergency safe.

Applicable Law

This policy shall be governed by and construed in accordance with the Law of England and Wales unless the insureds habitual residence (in the case of an individual) or central administration and/or place of establishment is located in Scotland in which case the law of Scotland shall apply.
